- Sunscreen, medication, insect repellent, hat and warm jacket. Our weather is unpredictable and can get rather cold at night and very warm in the day.
- Binoculars, camera and chargers.
- Entertainment for kids.
- Natural coloured clothes for game drives and guided bush walks and please wear closed shoes for when it is dark.
- Firewood, charcoal and fire lighters will be sold on site. No Blue gum wood is allowed, as it sparks and is a risk for the thatch and veld fires. **No firewood is to be picked up from veld or broken from trees.**
- Note that the nearest convenient store is about 30min drive away and is best if you do your shopping beforehand.

#### Camp Rules and Other important information:

- **Right of admission reserved. Sunset Bush Camp or any of its employees do not accept any responsibility for any loss whatsoever.**

- Checkout time is **10:00AM**. Please adhere to the time. You are welcome to spend the rest of the day in the Game Reserve or at one of its picnic sites.
- Please respect another guests' privacy. As sound travels far at night in the bush, please keep noise to minimum and enjoy the night sounds of the Bushveld.

Should there be any damages to the property, equipment, furniture or linen, you will be held liable for the repair or replacement thereof.

## ● **Absolute silence after 9PM.**

- Please take care of your children (Especially around the unfenced swimming pool).
- High voltage electric fence (10 000V). We need to keep the people inside in some or other way.
- Venomous snakes (Mozambique spitting cobra, Snouted cobra, Black Mamba, Boomslang, Puff adder and many more).
- Spiders, scorpions and bees.
- I don't care how familiar you are with venomous creatures, please do not try and catch or handle them.
- Lion, elephant, leopard, rhino, buffalo and hippos.
- Keep your chalet door closed and tent flysheets zipped up for insects, snakes and lizards.
- We take nothing from the bush but memories and photographs and leave nothing but tracks.
- Please do not take any wood from the ground or out of trees. It is a protected area and the nutrients need to go back into the echo system.
- Please put your fire out every night with the bucket water supplied, as the wind could cause a spark to be blown on to the grass and cause a huge fire. Should you not have a bucket of water for some reason, please do not hesitate to enquire.
- There is always a very high risk of veld fires in the Bushveld. Please take care if you are a smoker. Make sure you put your cigarette out and dispose of the butts properly. No smoking inside any of the chalets, tents or communal areas.
- There is a lot of Tree Agama's inside the fenced off area. Try not to disturb them.
- When you go on a Game Drive or trails, please adhere to all the rules and listen to the Field Guide. No smoking while on a game drive. You may get permission to smoke once you get off the vehicle.
- No breaking of trees or branches or collecting wood from the veld for any purpose what so ever.
- No walking outside the fenced off area without the guide.
- No littering.
- No standing up on the Game Viewer, hanging over the side or limbs hanging out.

- No getting out or off the vehicle unless in a designated area or instructed by the Field Guide.
- No loud music allowed.
- No DRUGS!
- No misbehaving.
- Please note that we have a septic tank. Please ensure to place all non-biodegradable material in the dustbins and not too flush it down the toilet.
- Please take care of the facility and linen as if it was your own.

Please note that we are rehabilitating any spoilet areas inside the camp. We have decided to remove all alien grass and plants and re-establish natural accuring vegetation and trees.

Should you see something like this in your room or your bed, please do not worry. It is normal as it is Gecko scat. They are employed to get rid of some of the mosquito and flies in your room. We are in the bush after all, so you can expect to come closer to nature.

Now that we got all that behind us, hope you enjoy your stay.

Please do not hesitate to contact me if you have any other questions.
